

downloadLibrary Mobile Device Instructions

Mobile Devices you can download mp3 audiobooks and eBooks directly to include:

- Android phones & tablets
- iPad / iPhone / iPod Touch
- BlackBerry phones & Playbook
- Windows Phone

Required software and authorization

1. Before you can download library books to your mobile device, you will need to install Overdrive Media Console Mobile on your device. There are various ways to access this free software:

- From the www.downloadLibrary.ca site (bottom of the mobile website)
- From the iTunes App Store / Android Market / BlackBerry App World / Windows App Marketplace

2. You will be required to create an Adobe Account in order to download any eBooks to your device. It is a good idea to do this prior to downloading to avoid any confusion. Create an Adobe Account by visiting www.adobe.com/cfusion/membership/index.cfm

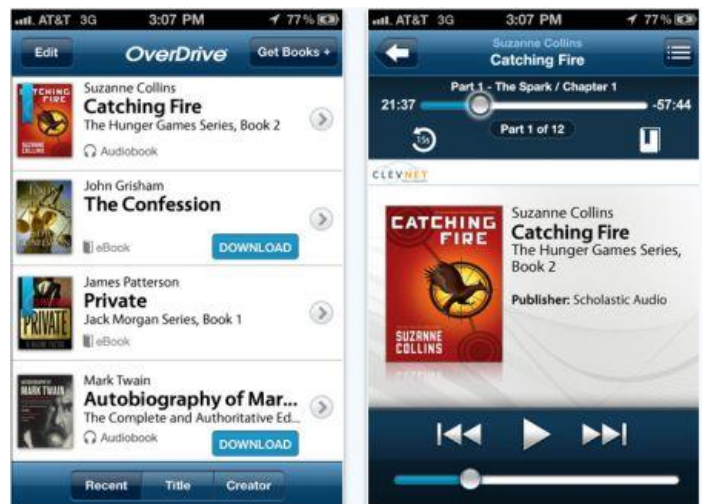

Searching for and downloading titles

1. Visit the downloadLibrary mobile website at www.downloadlibrary.ca on your mobile device.
2. Browse for titles you are interested in downloading. Most mobile phones support the MP3 formatted audiobooks and ePub eBooks.
3. When you have found a title you want, select "Add to Cart." If the title is already checked out by someone else, you may request it by selecting "Place a Hold." To see

how many copies the library owns and how many people have holds on it, click on a title with holds.

4. After you have added an available title to your cart, select "Proceed to Checkout." Select your library ("Stratford Public Library). Login by entering your library card number and PIN (last 4 digits of your phone number). Manage the lending period using the drop-down menu. Select "Confirm check out."

5. You can now download the title using the "Download" button under the item. The title will automatically download and open in the Overdrive Media Console Mobile app on your device.

Returning Books

eBooks and audiobooks expire on their due date, but you can return them prior to that if you are using the mobile app. This allows someone else to enjoy the book when you are done with it.

1. In Bookshelf view, click "Edit" and then select "Delete" beside the book you want to return.
2. You will be prompted to select "Return and Delete". That way someone else can enjoy the book. Must have access to the Internet for returning to work.

- eBooks and audiobooks cannot be renewed
- A limit of 15 items total can be out to you at one time.
- A collection of "Always Available" copyright free books are available in the footer area of the downloadLibrary mobile site.
