

GROLIER MULTIMEDIA ENCYCLOPEDIA

Grolier Multimedia Encyclopedias is a fun, easy to understand encyclopedia with lots of pictures, links to related websites, and magazine articles. Includes games, a "Today in History" section, current news stories, and timelines. Great for students of all ages.

How do I log in?

Visit the Encyclopedias for Kids web page at www.stratford.library.on.ca/kids/databases.htm. Scroll down until to the **Grolier Multimedia Encyclopedia** section and click on where you are – in the library or outside the library. If you are at home, you will be asked to type in your library card number – remember no spaces!

In Grolier Multimedia Encyclopedia, you can search by **Articles** or do a **Find it Fast** key word Search.

Browse Articles

Move your mouse over **Browse Articles** on the menu on the left hand side of the screen and click on any subject you want. Each subject has various sub-categories which all have further sub-categories. Click on the categories until you find the article you want. Click on the article when you have found it. Here are some of the categories you can look through:

- Geography
- Social Science
- Physical Science and Math
- World History
- Language and Literature
- Visual Arts
- Society and Government
- Sports, Games, Recreation
- Religion, Philosophy, Mythology

Find It Fast

On the Grolier Multimedia Encyclopedia homepage, click in the Find It Fast search box in the top right corner. Type in the topic you wish to search for in the space provided. Click on **Go**. If you want to do a fancier search, click **Advanced Search**.

Other Options

Today Is... Do you want to find out what happened on a specific date in the past? Then click there! You can see what happened today or choose a specific date.

Timelines Click here to see what happened for a time period for specific area of the world.

Bibliographies

Do you need this source to be put in a bibliography? At the beginning of each article there will be a **How to Cite This Article** hyperlink. Click there to see the bibliography information for that webpage.

To Print or E-mail an Article

Click on the **Print/E-mail** icon on the left of the screen and follow the instructions provided.

Getting Help

On the left hand side of the Grolier Multimedia Encyclopedia page, click on **Help** to access further tips. Or ask a Librarian!
