## REPORT to the COMMUNITY

### 2014

## Our Mission

In February 2013, we proudly adopted our new mission statement for the library:

An equitable, safe and welcoming environment where anyone can **explore, learn, create and connect.**

### Message from the Library Board Chair

This past year was a year of improvements with everyone working very hard to help improve our existing and new services,

including our new front desk which was installed to make the library much more user friendly for customers and employees. The new Library Board's term started in January 2015 and the Board is looking forward to 2015, starting with the exciting changes happening on the children's floor.

Jeff Orr, SPL Board Chair

### Message from the CEO

2014 was a busy and successful year for SPL. Our customer service survey (September 2014) demonstrated that the

Library's efforts to turn its Strategic Plan into reality are making a significant difference to the quality of your experience at the Library. In particular, we received a great deal of positive feedback on the improvements to the physical library – and we're not finished yet! As always, we love to hear from our community. Please send any comments to [askspl@pcin.on.ca](mailto:askspl@pcin.on.ca).

Julia Merritt, CEO
